

PROFESSIONAL
SUMMARY

Multidisciplinary designer with experience spanning graphic design, branding, UI/UX, web design, and digital experiences. Trained in New Media & Digital Design and proficient in Figma and Adobe Creative Cloud, with hands-on experience developing brand identities, mobile app interfaces, websites, and marketing materials from concept through final execution. Combines creative problem-solving and strong visual design skills with a strategic, detail-oriented approach informed by extensive experience in research, client communication, and project management. Adaptable across disciplines, translating ideas into polished, purposeful design solutions.
