SUMMARY

Graphic designer with experience creating visual identities, marketing materials, digital experiences, websites, and print communications from concept through execution. Proficient in Adobe Creative Cloud and Figma, with a strong foundation in typography, layout, color, branding, and visual communication. Brings a strategic, detail-oriented approach supported by experience in client consultation, research, project management, and translating complex ideas into clear, engaging visual solutions.

WORK HISTORY

FREELANCE GRAPHIC DESIGNER — 2024 – Current

* Develop visual identities, logos, marketing materials, websites, and digital assets tailored to client goals
* Conduct market and competitor research to inform visual direction and strategy
* Develop typography, color palettes, layouts, and cohesive visual systems
* Present concepts, incorporate feedback, and refine designs through iteration
* Manage projects from initial consultation and proposal through final delivery
* Create design solutions across print, digital, branding, and web applications

ATTORNEY — 2013 – Current

* Manage multiple client projects simultaneously while meeting strict deadlines
* Develop client relationships through strategic consultation and communication
* Conduct research and translate complex information into clear communications
* Lead projects from initial consultation through final delivery
